

BE AUTOMATIC,  
BE CONNECTED.

# SIMPLY CONNECT

**ALL YOUR HOME SECURITY  
AT THE TOUCH OF A FINGER**

**FAAC**

UNITED KINGDOM

## SECURITY FROM YOUR SMARTPHONE

**CONVENIENCE:** Simply Connect allows you to control your home automation remotely, at any time and from anywhere.

**SECURITY:** End-to-end (E2EE) technology guarantees security for the entire system.

**PEACE OF MIND:** Receive real-time notifications of any issues with your door or gate, including forced entry\*.

**SUPPORT:** technical assistance is always on-hand, thanks to remote monitoring by installers.

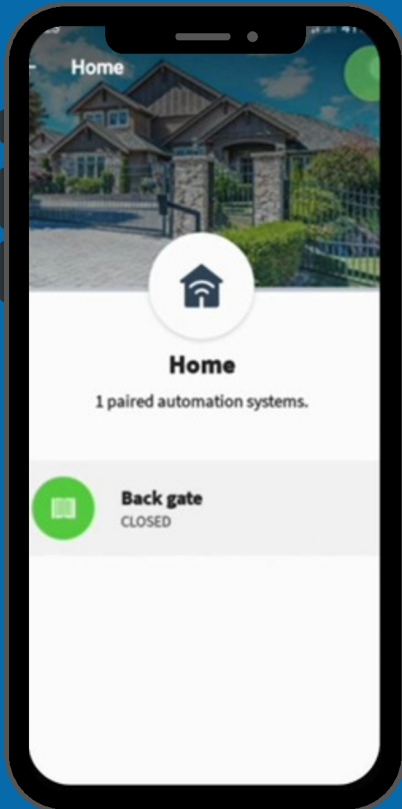

*\*Requires additional products (such as an encoder).*

## EASE OF MANAGEMENT

Manage all your home automation in real-time, from your smartphone.

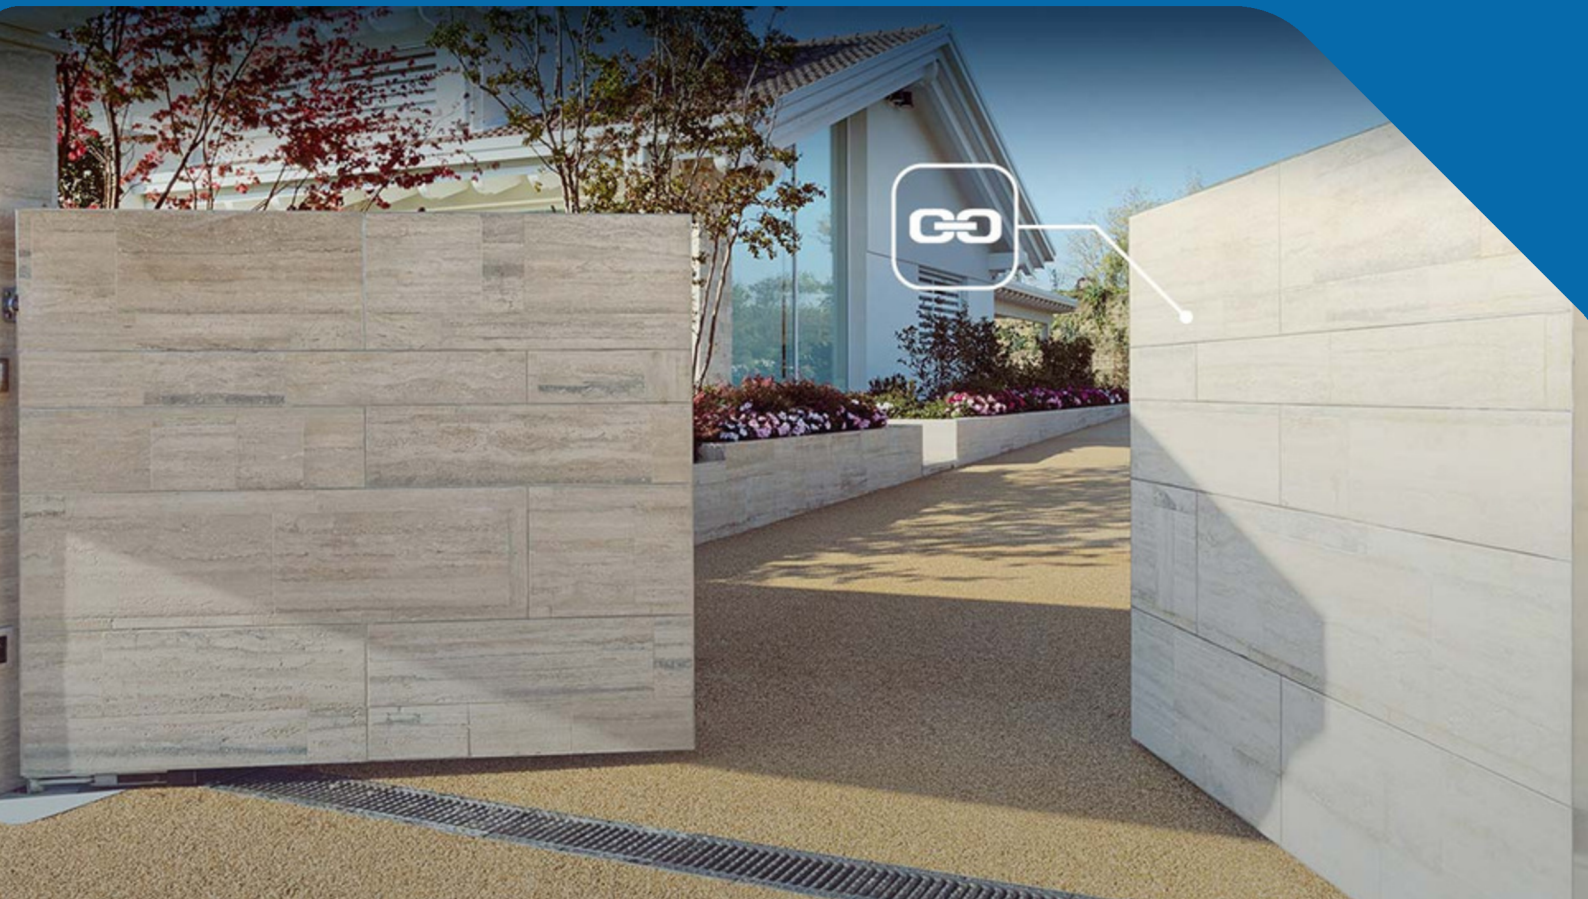

Grant access to who you want, when you want, with just a few taps.

The technology is always connected and ready for use, via Wi-Fi, LAN or mobile data.

Regular software updates ensure maximum performance at all times.

# Get Connected, Be Automatic.
